### **STIP AMENDMENT 98S-95 - ACTION**

#### **ACTION UPDATE FROM NOTICE**

This item was noticed at the February 2000 Commission meeting. The \$50,000 acquisition of land project in the City of Carpinteria (PPNO 7902) in the County of Santa Barbara has been corrected to show the programming under the R/W (Right of Way) component instead of the construction component.

#### **SUMMARY**

This amendment deletes two undeliverable FY 1999-00 Transportation Enhancement Activities (TEA) Program projects programmed in two counties (Alameda and Santa Barbara) for a total of \$704,000; downscales a \$1,056,000 FY 2000-01 TEA Program pedestrian/bicycle trail construction project in Santa Barbara County to a \$537,000 FY 2000-01 preliminary engineering only project; programs two new FY 1999-00 TEA Program projects in Santa Barbara County for a total of \$194,000; adds \$232,000 of TEA funds and \$368,000 of Regional Improvement Program (RIP) funds to an existing project in Alameda County; and transfers \$797,000 to the TEA Conservation Lands Program.

Group A (Alameda County) deletes \$232,000 in TEA funds from the Arroyo Mocho Trail project and adds \$600,000 (\$232,000 TEA and \$368,000 RIP) to the Berkeley Shoreline Bikeway project.

Group B (Santa Barbara County) changes the scope of the California Coastal Bicycle Route-Gaviota project from a \$1,056,000 construction project to a \$537,000 preliminary engineering only project; programs \$144,000 to a Los Carneros Road Bike Path project and \$50,000 to an Acquisition of Carpinteria Bluffs project; deletes \$472,000 in TEA funds programmed for the La Purisma Viewshed Acquisition project; and transfers \$797,000 to the TEA Conservation Lands Program.

#### **RECOMMENDATION**

The City of Berkeley, the California Department of Parks and Recreation, the City of Carpinteria, and the County of Santa Barbara are requesting this amendment. The Metropolitan Transportation Commission (MTC), the Santa Barbara County Area of Governments and the Department recommend approval of this amendment.

#### **RESOLUTION**

Resolved, that the California Transportation Commission (CTC) revise the 1998 State Transportation Improvement Program (STIP) at the end of the 30 day notice period as follows:

**BACKGROUND**

This amendment deletes two undeliverable FY 1999-00 Transportation Enhancement Activities (TEA) Program projects programmed in two counties (Alameda and Santa Barbara) for a total of \$704,000; downscales a \$1,056,000 FY 2000-01 TEA Program pedestrian/bicycle trail construction project in Santa Barbara County to a \$537,000 FY 2000-01 preliminary engineering only project; programs two new FY 1999-00 TEA Program projects in Santa Barbara County for a total of \$194,000; adds \$600,000 (\$232,000 TEA and \$368,000 RIP) to an existing project in Alameda County and transfers \$797,000 to the TEA Conservation Lands Program. A discussion of the changes in each county follows the TEA Program reference table:

<b>Group</b>	<b><u>County</u></b>	<b><u>From</u></b>	<b>(\$1000's)</b>	<b><u>To</u></b>	<b>(\$1000's)</b>	<b>Conservation Lands (\$1000's)</b>

		Totals	\$232		\$232	
B	Santa Barbara	3.Gaviota Bike Trail	\$1,056	Scope change only	\$537	\$325
				2.Los Carneros Road	\$144	
				3.Carpinteria Bluffs	\$50	
		4.La Purisma Viewshed Acquisition	\$472	(A Deletion)		\$472
		Totals	\$1,528		\$731	\$797
		<b>Grand Total</b>	<b>\$1760</b>		<b>\$963</b>	<b>\$797</b>

**Group A - ALAMEDA COUNTY REVISIONS**

A Grandfathered TEA funded project in Alameda County is deleted. The Arroyo Mocho Trail programmed for \$232,000 in fiscal year 1999-2000 has been delayed due to redesign and scope changes and will not be delivered by the September 2000 deadline. The \$232,000 in TEA funds will be reprogrammed to the Berkeley Shoreline Bikeway project. The total cost for the Berkeley Shoreline Bikeway project is \$2,778,000 with \$2,100,000 from the National Highway (NH) account, \$232,000 in TEA funds, \$368,000 in unused Alameda County Shares and \$78,000 in local funds.

**Group B - SANTA BARBARA COUNTY REVISIONS**

This amendment changes the scope of a \$1,056,000 California Coastal Bicycle Route-Gaviota construction project to a \$537,000 preliminary engineering only project; programs \$144,000 to the Los Carneros Road Bike Path project; \$50,000 to the Acquisition of Carpinteria Bluffs project; and transfers \$325,000 to the Conservation Lands Program.

After the California Coastal Bicycle Route project in Gaviota was programmed, a plant that is on the endangered species list and archaeological sites have been found in the project area requiring additional environmental studies. After more investigation and survey work, it was determined that the programmed funds are inadequate for both the preliminary engineering and construction phases. The California Department of Parks and Recreation and the County of Santa Barbara intend to complete the construction phase of the project, with funding options including State and federal transportation funds. This amendment would allow the preliminary engineering to proceed.

This amendment also deletes the \$472,000 TEA-funded La Purisma Viewshed Acquisition project and transfers the funds to the Conservation Lands program. Although preliminary indications from the affected land owners indicated a willingness to sell, the property originally proposed for acquisition is now not available and the Department of Parks and Recreation wishes to withdraw the funding request.

As a result of these two actions, \$797,000 in TEA funds will revert to the Conservation Lands Program.
